

# Take It Home!

This month, your child is learning about In The Beginning on their Bible Adventure!

We asked the question “Who made you?”

The answer was “God made me amazing!”

This month’s memory verse is...

**Psal 139:14**

**“How you made me is amazing and wonderful!”**

You can practice this at home by...

Asking your preschooler every day “Who made you?” And “Who made the world?” The answer should be “God!” You can also listen to the song “God made me!” By Mr.Music.
